CATCHMENT AREA TREATMENT PLAN VACANCY CALL

1.0 Background

The Catchment Area Treatment Plans (CATP) for Upper Kolab Hydro Electric Project and Upper Indravati Multipurpose Project have approved by the Government in Forest and Environment Department, Government Odisha during June 2013. The CATP will be funded by the Integrated Watershed Management Programme (IWMP) and implemented by the Odisha Forestry Sector Development Society. The objective of CATP is to reduce silt accumulation in the reservoir in these hydro projects and enhance livelihoods through community based natural resource management. The CATPs will be implemented over a period of 10 years from 2013-14 to 2022-23.

2.0 Strategy

The IWMP model will be adopted for treatment of the catchments. A cluster/landscape approach covering 3000-7000 ha in each cluster will be taken for participatory natural resource based development. The CATP aims at treating an area of 1.04 lakh ha under Upper Kolab Hydro Electric Project and 2.46 lakh ha under Upper Indravati Multipurpose Project.

3.0 Institutional arrangement

3.1 State Level Nodal Unit

At the State level, PCCF (Projects) cum Project Director, Odisha Forestry Sector Development Society is the Nodal Officer for implementation of this project. A Project Support Unit (PSU) consisting of 7 professional experts will be engaged as Technical Experts on contractual basis.

3.2 District Level Project Unit

At the district level the project will be managed by two Project Managers; one each located at Koraput (for upper Kolab) and Kalahandi (for upper Indravati). Each Project Manager will be supported by 4 Subject Matter Specialists along with support staff to look after the implementation of the programme at the project level.

4.0 Vacancy Call

The Odisha Forestry Sector Development Society invites applications from interested candidates to fill up the 2 positions of Technical Experts in the State Level Nodal Unit and 1 position of Subject Matter Specialists each in the project level offices at Koraput. The detailed job description, qualifications and experience for Technical Experts in the State Level Nodal Unit is at **Annexure-I** and for Subject Matter Specialists at the project level offices is at **Annexure-II**.

5.0 Application and Selection

Interested candidates can apply in the prescribed application form shown at **Annexure-III**. The application form along with copy of the following documents should be submitted in a sealed cover addressed to the Deputy Project Director (Administration), Orissa Forestry Sector Development Project, Ghatikia, Bhubaneswar-751 003 on or before -----th September 2014 by 4.00 pm.

- i. Proof of Educational qualifications
- ii. Proof of Date of Birth
- iii. Experience Certificate

The applications will be scrutinized and the shortlisted candidates will have to appear for an interview. The OFSDP reserves the right to reject / accept any/all applications without assigning any reason thereof.
